INFORMATION RELATING TO COINS AND MEDALS.

espondence with the Mint should be addressed "Superintendent of the Mint of the United adelphia." Articles which are expected to be returned by mail must be accompanied by eight eturn registry fee.

fint does not buy old coins or paper money, except some rare Colonial coins in fine condition, e desired for the Mint Cabinet. Mutilated or uncurrent United States gold and silver coin is pur- as bullion, the gold at the rate of $18.60 per ounce troy, and the silver (in amounts of not less than at the rate of cents per ounce troy.

ne Mint has no pattern pieces for sale.

The Government pays no premium for the return of any of its coins or paper money.

New coins can not be struck until authorized by an Act of Congress.

The Mint supplies United States coins only, and not of any past date.

The fifty-dollar gold piece and the half-dollar and quarter-dollar pieces in gold (?) were struck by private parties and not by the United States Government.

The coinage of the following ceased in the years named: Half and one cent, copper, in 1857; one cent, nickel, 1864; half dime and three cents silver, and two cents bronze, 1873; twenty cents silver, 1878; trade dollar, 1883; one dollar and three dollars gold and three cents nickel, 1889. The Columbian half dollar was coined in 1892 and 1893 and the Isabella quarter in 1893. The Lafayette dollar was struck in 1899, the date on the coin (1900) being that of the unveiling of the memorial.

MINT MARKS.—Coins struck at the Philadelphia Mint have no mint mark, those struck at all other mints of the United States are distinguished by a small letter on the reverse near the bottom: these letters are: "C" for Charlotte, N. C., discontinued in 1861; "CC" for Carson City, Nev., discontinued in 1893; "D" for Dahlonega, Ga., discontinued in 1861; "O" for New Orleans, La.; and "S" for San Francisco, Cal.

The coin dealers are the proper persons to apply to for the value of old coins. It is very unsatisfactory and usually impossible to give the value of an old coin without seeing it, as so much depends upon the variety and condition of preservation of the coin.

The Mint does not publish and can not supply any book or list giving the prices of old coins.

The coins of the United States, now authorized by law, are:

GOLD: Double Eagle,	SILVER: Half Dollar,	MINOR: Five cents, nickel,
Eagle,	Quarter Dollar,	One cent, bronze.
Half Eagle,	Dime.	
Quarter Eagle.		

The five-cent and one-cent pieces are known as "minor" coins.

A "proof coin" is one struck by hand on a hydraulic press from a specially polished die, using a polished blank. They are made at the Philadelphia Mint only.

The price of the set of gold proof coins is $38.50; the proof set of silver and minor coins, $1.50; the proof set of minor coins, 8 cents. Single gold pieces, in proof, may be had for 25 cents each above their face value, but the other sets will not be separated.

Proof coins of the present year can be had from about January 15 to December 31, unless, as is sometimes the case, the stock is exhausted a day or so before December 31. Dies wear with use, therefore coins struck late in the year may not be as perfect as those struck earlier. The Mint has no coins or sets of coins of other than the present date for sale.

Private-medal dies can not, under the law, be prepared at the Mint, but when the regular business of the Mint will permit, medals may be struck from dies furnished by individuals, public institutions, and incorporated societies, at a charge sufficient to cover the cost of the operation and the value of the metal.

A list of medals, which can be supplied on order, with the prices thereof, will be found on the other side.

The remittance should accompany the order and should be in cash or money order. Make money orders payable to the "*Superintendent of the Mint of the United States, Philadelphia.*"

Small packages of proof coins or medals can be sent by registered mail, if eight cents are inclosed for registry fee, otherwise they will be forwarded by express, "charges collect."

JOHN H. LANDIS,
Superintendent.

APPROVED:

GEORGE E. ROBERTS,
Director of the Mint.
